

Hi Jacqueline

Thank you on behalf of AMPICTA for the opportunity to comment on this report. As you may be aware, AMPICTA has previously commented in depth on many of the issues and proposals discussed. Hence, AMPICTA has nothing further to add at this stage, except to confirm that the association is broadly supportive of the report's direction and the specific proposals being recommended by ACIP.

Overall, the report represents an extremely good piece of work for which ACIP is to be commended.

Sincerely

Mathew O'Keefe
